**4**  
WORKSHOPS

The **20<sup>th</sup> Leading Edge Conference on Water and Wastewater Technologies** is the place where new ideas are introduced and technology transitions from research to practice.

There are a range of sponsorship packages on offer, allowing you to tailor your organisation's involvement and maximise your corporate exposure.

Your organisation will appear as a major industry player to fellow water professionals and sponsors before and during the event, making an enduring contribution to your overall marketing plan.

The sponsorship opportunities are designed to cement your brand, products and/or services and can be fine-tuned to your needs.

You will take advantage of branding rights, targeted IWA promotions, online and media exposure to more than 60000 water professionals that compose the IWA network.

### Benefits include:

**Partnership with IWA**

**Brand Awareness**

**Business Opportunities**

**Thought Leadership**

**Network with decision-makers**

**City of Houston's Northeast Water Purification Plant (NEWPP) is being expanded to become the largest water purification plant in the nation**

**Rice University welcomes the International Water Association Conference.**
